ANSI/IICRC S500 - Water Damage Restoration - Fourth Edition: 2015. The IICRC S500 provides a specific set of practical standards for water damage restoration. It does not attempt to teach comprehensive water damage restoration procedures; rather it provides the foundation for basic principles of proper restoration practices.

### **Current Standards | IICRC Standards Subscriptions**

ANSI/IICRC S500-2015 does not attempt to include exhaustive performance characteristics or standards for the manufacture or installation of structural components, materials and contents (personal property). ANSI/IICRC S500-2015 Standard for Professional Water Damage Restoration is a procedural standard.
