Our book servers hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the website style guide example is universally compatible with any devices to read.

Website Style Guide Example

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
